Subject: Malibu High School - Meeting with EPA in March 2014

Hello Doug:

Thank you for the opportunity to talk with you today regarding a potential meeting with EPA about the Malibu High School on March 17, 20, or 21, 2014. During that week, we will still be working in our floor.

Next week (week of March 3), we will (1) confirm the March 2014 meeting date and (2) respond to Environs' request for additional time to submit the plan requested in EPA's January 27, 2014 letter to the School District.

Thank you for your courtesies.

Sincerely,
Carmen
